EDUCATION

Antonine University | 2023-2028

Bachelors in Computer and Communications Engineering

College Saint Joseph Soeurs Antonine | 2008-2023

General Science - B+ Average

PROFILE

Motivated Computer and Communications Engineering student with hands-on experience in full-stack development and modern programming languages. Proficient in Java, Python, React.js, and web technologies with specialization in API development and database management. Passionate about leveraging technical expertise to build innovative solutions and eager to collaborate with dynamic technology teams.

WORK EXPERIENCE

Freelance Developer JUNE 2023 -PRESENT

Hobbies and Projects

- Python Sports Analysis App, which web scraped stats from popular sports website, and calculated the statistical Greatest of All Time.
- Python Election Analysis Prediction, which analyzed the previous municipal elections and predicted the next MP election.
- Developed a Job Portal Application, using Java, SpringBoot, MongoDB, SwaggerAPI as well as JavaDOC documentation.
- Developed my very own portfolio website, fully written in React.
- Developed a Minecraft Server, with full database integration, in addition to API implementation, on a Ubuntu VPS.
- Developed JarvisShop, an online retail and shopping platform, utilizing Adobe Illustrator and Photoshop.
- Developed AgriCrop, an online farming platform, where you can advertise your product, and build communities with farmers nationwide, maximizing use of Adobe Illustrator and Photoshop..
- Developed an online Banking System using C++
- Developed an online Car Rental Service using C++

LEADERSHIP & ACTIVITIES

- Model United Nations (MUN) | Delegate & Advisor - CSJ - 2022-2023
 - Represented assigned country as a delegate in UNEP Committee.
 - Promoted to MUN advisor, mentoring 5 new delegates.
 - Under my guidance:
 - 2 students won Best Position Paper awards.
 - 2 students received Diplomacy Awards for negotiation and leadership.
 - Founder - Debate Club - CSJ - 2023
 - Founded the school's first official debate club to promote critical thinking and public speaking.
 - Club remains active and continues to grow beyond my graduation, currently run by a new student leadership team.
